

Product information

GDME GB1

831 832-001

Name		GDME GB1
		
		bridge-type rectifier with protective circuit (varistor)
<b>Delivery informations</b>		
Availability	available	
<b>Product description</b>		
Description	bridge-type rectifier with protective circuit (varistor)	
Type	GDME GB1	
Order No.	831 832-001	
Standard	DIN EN 175 301-803-A	
Construction type	A	
<b>Description of Wiring</b>		
Voltage rectifier	bridge-type rectifier	
Suppressor	varistor	
<b>Technical data</b>		
Rated voltage	AC/DC 250 V	
Rated current	2 A (SEV 1011 : 1.5 A) AC / 1 A DC	
<b>Environmental conditions</b>		
Temperature range	-40 °C to +110 °C	
<b>Packing unit</b>		
Packaging unit	50 pieces
